sc_intro (introduction)

As noted in the letter you received, we are conducting research about families and friendships in Northern California. First we need to ask you a few questions to see how your household can be part of this study. In this study we are looking for people in two age groups, either 21 to 30 years old, or 50 to 70 years old.

sc001a (anyone 21-30)

Is there anyone in your household, including you, whose age is 21 to 30?

1 (YES) Yes

2 (NO) No

9 (DONTKNOW) Don't know

sc001b (anyone 50-70)

Is there anyone in your household, including you, whose age is 50 to 70?

1 (YES) Yes

2 (NO) No

9 (DONTKNOW) Don't know

End of group of questions

if sc001a != YES AND sc001b != YES then

endWarning2

You indicated that there is no one in your household (including you) who is 21 to 30 years old or 50 to 70 years old. If this is correct, then please just click 'Next' to continue. Otherwise, please just go back to change your answers.

Please note that once you click 'Next' you won't be able to go back and change any of your answers.

Thank you for contacting us about the UCNets study./Thank you for joining the UC Berkeley Social Networks Study. We think you will find the survey an interesting way to think about your life as well a way to make a contribution to health research.

At this point, once you click "Next" you can proceed directly to the main survey, which will take about one hour. It does not have to be completed in one sitting – you can stop and restart where you left off, but we do recommend you try. Also, this survey is best taken desktop or laptop, and you should not use a smart phone./Thanks again! And feel free to contact us by phone at 1-877-932-0614 (9am - 5pm Pacific) or by email at ucnets@berkeley.edu (<mailto:ucnets@berkeley.edu>) with any questions or comments./Thank you very much. We will get in touch with you prior to the day of your appointment.]
